Dear Sir:

After checking the USPTO's website and a follow-up call to the Examiner, it appears that the applicant's reply filed on March 4, 2005 was never entered into the PTO's PAIR system. Attached is a copy of our return postcard confirming receipt by the Office.

Submitted herewith is a copy of our reply filed on March 4, 2005. In view of the non-entry of the reply and since the Office Action was made final, request is made for resetting of the response period.

As the response was timely filed, applicant believes no extension fee is necessary.

Respectfully submitted,
